

EU Declaration of Conformity

The Directives/Regulations covered by this declaration:

EU Low Voltage Equipment Directive 2014/35/EU	✓
EU Electromagnetic Compatibility Directive 2014/30/EU	✓
ROHS Directive 2011/65/EU as amended by 2015/863/EU	✓
Eco Design Directive 2009/125/EC	✓

The OE Electrics Limited products covered by this declaration:

<u>Type Designation</u>	<u>Description</u>
Phase	A plastic moulded unit with 230V AC power and/or DC USB fast charging sockets with hardwired power cord, plus optional data and AV sockets and leads, intended for use on office desks, meeting tables and similar commercial applications.

The basis upon which conformity is being declared:

I the undersigned declare that the product(s) identified above comply with the requirements of the above EU directives by meeting or having components meeting all or part of the editions of the following standards current as at the date of this declaration and as applicable to the unit configuration supplied:

IEC 60884-1	Plugs and Socket-Outlets for Household and Similar Purposes
IEC 60884-2-7	Particular requirements for cord extension sets
EN IEC 60670-1	Boxes and enclosures for electrical accessories
BS 5733	Specification for general requirements for electrical assemblies
EN IEC 62368-1	Audio/Video, information and communication technology equipment safety
EN IEC 61204-3	Low voltage power supplies DC output - EMC
EN IEC 63000	RoHS assessment of electrical and electronic products
(EU) 2019/1782	Ecodesign requirements for external power supplies

The technical documentation required to demonstrate that the product meets the requirements of these directives has been compiled and is available for inspection by the relevant enforcement authorities.

The CE Mark was first applied to the identified product in 2016

Signed 

Authority: Technical Director
