

## EU Declaration of Conformity

**The Directives/Regulations covered by this declaration:**

EU Low Voltage Equipment Directive 2014/35/EU	✓
EU Electromagnetic Compatibility Directive 2014/30/EU	✓
ROHS Directive 2011/65/EU as amended by 2015/863/EU	✓
Eco Design Directive 2009/125/EC	✓

**The OE Electrics Limited products covered by this declaration:**

**Type Designation**

**Description**

Polar Ice & Black Ice

Aluminium extruded units with 230V AC power and/or DC USB charging sockets, plus optional data sockets with related leads, intended for installation and use on office desks and similar commercial applications.

**The basis upon which conformity is being declared:**

I the undersigned declare that the product(s) identified above comply with the requirements of the above EU directives by meeting or having components meeting all or part of the editions of the following standards current as at the date of this declaration and as applicable to the unit configuration supplied:

<b>IEC 60884-1</b>	Plugs and Socket-Outlets for Household and Similar Purposes
<b>IEC 60884-2-7</b>	Particular requirements for cord extension sets
<b>EN IEC 60670-1</b>	Boxes and enclosures for electrical accessories
<b>BS 5733</b>	Specification for general requirements for electrical assemblies
<b>EN IEC 62368-1</b>	Audio/Video, information and communication technology equipment safety
<b>EN IEC 61204-3</b>	Low voltage power supplies DC output - EMC
<b>EN IEC 63000</b>	RoHS assessment of electrical and electronic products
<b>(EU) 2019/1782</b>	Ecodesign requirements for external power supplies

The technical documentation required to demonstrate that the product meets the requirements of these directives has been compiled and is available for inspection by the relevant enforcement authorities.

The CE Mark was first applied to the identified product in

2007
